

The True Face

**of
American Christianity**

The evils facing
Americans can be
summed up in these
three words:

- 1) Racism
- 2) Sexism
- 3) Pollution

Would you believe me
if I told you Christianity
is the culprit for all
three?

You see when you claim God to be of a particular race, you automatically make other races subservient. When you claim God was a human male, you immediately make the female form unchosen, along with the rest of the animal kingdom, plants, minerals, oceans, rivers and air.

Ever since 1492 AD and these Bible-crazed white-Christian crusaders have been out for blood: "Now go and attack Amalek, and utterly destroy all that they have, and do not spare them. But kill both man and woman, infant and nursing child, ox and sheep, camel and donkey." 1 Samuel 15:3

The Natives were the first to get it, the whites said they were "it"... Amalek. And killed 60 million men, women, children and infants. And that's how they stole America, because no one understood what every stone on this land had been screaming & still is: "MURDERERS!", "LIARS!"

The land, like all land, belongs to the One True God, and He ordered it to be unforgiving, to remind the white-Christians of their crimes. But the whites, marched onwards blindly and instead of asking for forgiveness went out to commit more criminality. 600,000 Africans kidnapped, terrorized, tortured, raped, and lynched. Made to work God's unforgiving earth. Families were broken up, literacy made illegal, and the new hostages now forced to pay for a crime they hadn't even witnessed.

This cultural meat grinder was left running for over two centuries on the kidnapped negroes, their blood lines, languages, religions and cultures... all now ground up finely in the name of these Bible-crazed blood-thirsty white-Christian crusaders god.

"Vietcong is Amalek", "Iraq",
"Afghanistan", "Palestine", "Iran",
"the Muslims are Amalek".

The rampage of this Bible-crazed
blood-thirsty white-Christian
crusader is far from over.

Our hero, the rightful heir of God's
land... still fast asleep. His red
brother calling on him from
heaven: "AWAKEN!". His yellow
brothers from the heavens call
upon him: "AWAKEN!" His brown
brothers men, women, children
and infants call upon him from
the heavens:

"NEGRO FUCKIN AWAKEN!"

Long after the Bible-crazed blood-thirsty white-Christian crusaders cultural meat grinder had been decommissioned, the negroes now neatly packed on white styrofoam uniform tray-plates and stored on a fridge shelf in a shady part of town all of their own accord.

Now without a whip in sight or a lynching tree left erect or even an engorged phallus of a mother-raping slavedriver around, the negro praises-well the god of the Bible-crazed blood-thirsty white-Christian crusader, and with every liberating new achievement his posterity will forever proudly-autograph it with the mother-fucking-rapist's name.

"NEGRO FUCKIN AWAKEN!"
